

Donation for Flood Victims in Penampang Villages

Volunteer Manhours: 255
Total Number of Beneficiaries: 273
Actual Amount Invested in
Community: RM 30,001

July 2024

Program Description:

At Wasco, we stand with our community, especially during times of crisis. In response to the recent devastating floods in Penampang, our Wasco Pipe Sabah team initiated a relief effort to provide support to the families hardest hit by the disaster.

The flood, described as the worst in the district's history, displaced hundreds of residents and left many in urgent need. In partnership with local representatives from Village Development and Security Committee (JKKK) we focused on delivering essential supplies - such as rice, flour, noodles, canned sardines, cooking oil, and mattresses - to 273 households in the most affected villages: Kampung Inobong, Kampung Hungab, and Kampung Kibabaig. Among those impacted were several of our own colleagues, bringing this crisis even closer to home.

Our 22 #TeamWasco volunteers worked tirelessly to ensure that these necessities reached those who needed them most. We hope our gesture offers some comfort and support to the families as they start to rebuild their lives.

This initiative reflects our belief that supporting our neighbours in times of need is fundamental to who we are as a company. We remain dedicated to helping the people of Penampang recover, fostering resilience and hope for the future.
